

Priority Mail

Pricing Options

Option 1

- Cost determined by weight, dimension and ZIP code.
- Costs vary.
- Starts at \$7.95.

Option 2

- Flat Rate boxes and envelopes, starting at \$7.95.
- Allows sender to ship any size package (up to 70 pounds) to any state at a flat price.
- A variety of different size boxes and envelopes to choose from.

Shipping Time

- Typically between 2-3 business days.
- Not faster than First-Class Mail.
- Ships on weekdays and Saturdays.

Tracking

- Tracking is automatically included.
- You **MUST** upgrade to Priority Mail in order to track letters. If you add your own tracking label without upgrading to Priority Mail, the Post Office will **NOT** scan the label and you will be unable to track your letter.
- Any piece of mail that weighs over 13 ounces is automatically considered Priority Mail and includes a free tracking label.
- Tracking labels must be requested in advance so the sender can properly record their tracking number.
- You can track any regular-sized letter or flat by upgrading to Priority Mail.
- Parcels can consist of packages, bulky letters or flats that are not flexible enough to bend, bubble mailers and anything weighing 13 ounces or more.
- First-Class Parcels cost more than letters but less than Priority Mail. Postage is determined by weight and ZIP code.
