

International Mail

Customs Forms

- All international parcels/packages require a customs form.
 - One customs form per parcel.
- To complete your customs form, visit: usps.com/international/customs-forms.htm
 - Click on "USPS Customs Forms Tool".
 - Fill in the requested information.
 - Print out your customs form and include it with your Postage Authorization Slip.
 - We advise that you print out a duplicate copy for your records.
- Please be sure to fill in all of the requested information to avoid customs delays.
- International letters do not require a customs form.

First Class International Mail

- Does not include tracking services.
- Most affordable option for International Mail.
- Can consist of postcards and letters weighing less than 15.9 ounces.
- Small packages can be sent via First Class International Mail but they must be less than four pounds and under \$400 in value.
- Cost is dependent on weight and destination.

Priority Mail International

- Delivery in 6-10 business days.
 - Once the item has been accepted by the destination country's postal system, the delivery time will depend on that country's mail carrier.
- Includes tracking and up to \$100 in insurance.
- Cost is dependent on weight and destination.
- Maximum weight is 70 pounds for parcels and four pounds for envelopes.
 - Some countries have lower weight restrictions.

Priority Mail Express International

- Delivery in 3-5 business days.
- Maximum combined length and girth (girth is the distance around the thickest part) is 108 inches.
- See Priority Mail International information above for all additional details and requirements.

Additional Requirements

- Some countries have individual requirements when it comes to accepting international mail. To see individual country requirements, visit: usps.com/international/mail-shipping-services.htm
- Scroll down and click on the link titled, "Individual Country Requirements".

Due to COVID-19, USPS can no longer deliver international mail to certain countries and is still experiencing service disruptions to others. We advise checking for service alerts before sending international mail: about.usps.com/newsroom/service-alerts/international
